

Production Manager- Cologne, Germany

Working alongside a dedicated and talented Operations team based in our Hub Office in Cologne, Germany we are looking for a strong Print Production manager.

In this role you will be able to show us your amazing skill set and experience working within marketing print production.

A little about you:

Get closer and develop your print production skills to the next level.

- Manage end to end print production workflow, communicate with the client, agency and supplier stakeholders, ensuring the quality procedures are followed throughout the production cycle, ensuring the delivery of product on time, to specification and on budget.
- Develop and maintain a rapport with key client and internal stakeholders, in order to manage expectations and ensure value added service provision.
- Engage with suppliers to ensure they work in partnership with us, promptly informing us of issues as they arise, and work in collaboration with us to decide any remedial actions.
- Engages with colleagues from other departments as appropriate to deliver on various print projects
- Manages vendors' performance to ensure projects are delivered on time, on budget and to the required quality
- You will have some experience in managing print production projects in a client led environment
- You will have some print knowledge, gained in a print / print management or marketing environment
